

SUNDAY BRIEFING

The Attributes of God

BY PASTOR DON GARDNER

There are many words that help us describe God. Books have been written by the hundreds regarding the character traits and attributes of God. Yet, I always tend to go back to the basics of the matter: 1) He is Omnipresent (All Present), 2) He is Omnipotent (All Powerful), and He is Omniscient (All Knowing). If the above is accurate, why do we attempt to hide things from God or even think it possible? Why do we not act, in faith, by recognizing that He can do miracles and anything else He desires? Why do we feel that God doesn't care or understand our situation in life? How is it that we so lightly grasp the identity of God that we function as if we didn't trust or believe He even exists? He knows us intimately and even knows the number of hairs on our head. In our attitude toward such a personal, loving and caring God, we must ask what makes Christians any different from those in our society who openly deny God?

A foundational question that perhaps we all need to ask ourselves is what needs to change in our relationship with God for us to truly allow Him to be Lord of our lives? Christ points out in Scripture, multiple times, that calling him "Lord" is not the same as allowing Him to positionally be that in our lives. If it is true that God directs our life's purpose, surely there is more for us than mere selfish ambition, success, or comfort. With the lost on all sides, let us pray that our eyes and hearts may be pushed to action and not just talk. Let each of us find a ministry to bless others and reach out to the lost in His name.

October 3rd Baptisms - Baptism is a testimony of a person's faith in Christ. It is not salvation, but a picture of what Jesus has done in a person's life. He has cleansed and forgiven one's sin as we're given a new life in Him. On October 3rd, we will have baptisms at 10:45am. Please contact us if you're interested in making a public profession of faith in Jesus through water baptism.
