Christ's Candle of Advent Is Here!

BY PASTOR DON GARDNER

I know, many of you are traveling this weekend. It is a time when family vacation trips are the norm. Yet, your FCBC church family will still gather for worship and fellowship this final Sunday of 2021. With that in mind, I ask that wherever you are, you will take a few minutes this day to ask our Lord to give us a renewed and unified burden for our church outreach. We can all find joy in knowing that on December 24, we jointly celebrated the lighting of the Advent Christ Candle!

The year 2022 begins within days and nobody knows what impact the pandemic may have on our church activities or the lives of our people. However, we do know that God has more concern for this church than even we do. Let us all challenge ourselves to be more hungry for His presence in our lives even as we desire to reach out in Christ's name to lost friends and relatives. Remember, we are His tools for sharing His gospel.
