## Encouragement from Youth Winter Retreat

BY PASTOR DILLON LE

On Dec. 27-29, a few of us in the youth group made our way to Pinetop, AZ just east of Payson for a few days of fellowship and snow. I'm thankful for our church for helping us stay safe and healthy before and after the retreat. At the retreat, we were reminded of how fellowship is an incredible blessing and we had the opportunity to serve each other in many ways. The youth were given the responsibility of cooking and cleaning in teams during our stay, so they were given a grocery list and budget when we arrived in Pinetop. It was fun to see them get creative, work together, and figure out how to apply life skills on their own. The food tasted pretty good and the rental home didn't burn down, so they did well in my book. One of the best things about any retreat is it allows students time to truly stop and reflect on how God is working in their lives. We were challenged to think about what burdens are weighing us down and how to surrender them to God. It was also a time to be affirmed by fellow peers and share appreciation for brothers and sisters within the youth group.

We did a ton of fun stuff as well like getting the van trapped in snow, cheering as locals pulled us out, playing in the snowstorm, late night hot cocoa, back-to-back all-nighters, a Harry Potter movie marathon, and almost two hours straight of "Would You Rather" on the car ride home. Please pray that the bonds forged and faith strengthened on this trip would help the students continue walking closely with Jesus each day of their lives.

*24 And let us consider how we may spur one another on toward love and good deeds, 25 not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching. – Hebrews 10:24-25*
