Pastor's Word: " Come Serve With Us "

For two years, our church has been under the significant influence of Covid-19 and that has limited our ability to be together. As a result, we used our Mid-week Sharing approach to hear from many of you about your weekly experiences. With that ceasing some few months back, it has been hoped that we would see all of you coming back to live worship, Sunday Bible Study, Fellowships, and similar activities. Most recently, the FLC has begun to come back alive with sports activities, fellowship meetings, and we are soon to see "Ken's Kitchen" come back alive! If you are one of those whose face we all need to see again after a break of time, do know that you are missed and that we need your smiles of family love!

As a church, we want to return to reaching out more in His name to new friends via multiple approaches...even as we involve you in this process! Please pray now about your love for your church and regarding how the Father may be desiring to use you in serving Him. We are here to be co-workers for His service and the lost of our city need our commitment in sharing Jesus with them. Don't delay your availability to your Lord.
