## **Pastor's Word: "Chinese Congregation Women's Fellowship "**

Our "FCBC Chinese Congregation Women's Group" greatly enjoy gathering together for fellowship and a tasty meal! The Women's Fellowship gathered recently (August 23) in our home for Bible Study, chatting, a Pot-luck meal and several hours of fellowship. Of course, as it was a Women's gathering, I managed to meet up with another one of the husbands during the time of their gathering for some coffee and discussion about several matters of interest to both of us! While I'd never seek to invade a meeting that was set aside for women (about 18 of them!), the great news for several of our "available husbands" in the area (5 of us including myself), was that we got a special phone call from the ladies to join them back at the house for their meal. As you can imagine, the food was marvelous and abundant for all.

I don't know what there is about food that seems to draw people together but it certainly seems to be the fact. I am so thankful that our church's Food Service Committee is cognizant of how important they are to bringing back some urgently needed outreach ministry and fellowship for our church family! While the September 4 luncheon may be only a gentle and simple introduction back to what we see as "normal," please join me in giving thanks to these brothers and sisters who are trying their best to help us return to reaching out both to our own members and new friends!
